

# Need an Easy Export Grant?

## SUCCESS STORY ..

An Australian exporter of training products asked us about their eligibility for EMDGs. Instead of \$10,000 we got them \$45,000 in grants! This company now has a new overseas office and exports to 10 countries.

Did you know you may be eligible for an Export Market Development Grant (EMDG)?

EMDGs cover things like travel, advertising, promotional material, websites, trade shows, free samples, and other marketing expenses. So if you're an Australian business new to exporting, it's well worth considering.

- ❖ But how do you know if you qualify ?
- ❖ How do you apply ?
- ❖ How can you fast-track payment ?
- ❖ How do you know you're getting what you're entitled to ?
- ❖ And who's going to manage the paperwork ?
